Delivering maximum privacy, this split level design sprawled over two storeys features oversized proportions laid out with thoughtful separation between living and sleeping spaces. Downstairs you'll entertain in a sundrenched, open balcony setting set over parklands with kitchen convenience, while upstairs provides the distinct and peaceful zones needed for rest, with bedroom retreats at either ends, each connecting to their own private balcony. Split level design with oversized proportions. Three generous balconies (one off downstairs living, two upstairs off each bedroom). Open plan living and dining. Spacious wraparound kitchen. Large bedrooms. Great cross ventilation on second floor. Private outlook over parklands. Air conditioning in all rooms. Ample storage, including under stair storage. One car space and one storage cage. Access to Pulse club facilities, including indoor and outdoor pool, tennis courts, gym, library and function room. Conveniently located walking distance to the foreshore and Piazza shops, close to Marina square shopping centre, Wentworth Point public school, and public transport including ferry & community shuttle bus. Please register if you plan on attending an open inspection. Ensure your attendance can be accommodated by submitting an enquiry, or SMS Cristian Malgioglio on 0433 111 229.
