Enjoying sweeping views to the city and beyond, this third floor apartment has been smartly refreshed to offer a light-filled, affordable entry into this highly coveted and superbly convenient position in the heart of the knowledge and medical precincts. Comprising of 2 robed bedrooms, open plan living/dining space with large windows to a generous covered balcony, ideal for evening aperitifs and morning coffees as you appreciate the city skyline. A well appointed kitchen with stainless steel appliances, dishwasher, and ample cupboard and bench space is made for relaxed entertaining. A central bathroom includes laundry facilities and an easily accessed car space in the secure basement provides further convenience. Walking distance to Queen Vic Market, Errol St shops, Melbourne University, hospitals, the city centre and numerous other lifestyle attractions. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
