on site on Sunday 26th May at 2pm While our owners are serious about selling, they are heartbroken at the same time. Circumstances have changed, and now this perfect country get-away is available to make all of your dreams come true. This remarkable farmhouse on 165 acres offers even more than meets the eye. Beyond the picturesque living spaces, this property is enriched with additional features that make it a true haven for those seeking a blend of luxury and rural charm. Inspections are by appointment only, and you will need the time to uncover all that this home offers. Step into the backyard, and you'll discover a tranquil oasis: a 9-meter in-ground Therolux Magnesium Saltwater pool, perfect for relaxation and rejuvenation. This oasis invites you to take a dip on warm summer days or unwind under the starry night sky. Water sustainability is paramount on this property, with both a working bore that provides high-quality drinking water and ample fresh rainwater tanks ensuring a constant and reliable supply. You can take solace in knowing that your water needs are well taken care of, whether for household use or tending to the land. For those with a penchant for hobbies or looking to expand their lifestyle, there's a substantial 6x9m Colorbond shed on the premises. This versatile space can serve as a workshop, storage area, or even a studio for creative endeavors. Whatever your passion, this shed provides the room you need to explore it fully. Nature enthusiasts will be delighted to discover a network of tracks and trails that crisscross the property, making it ideal for horseback riding and trail biking adventures. Embrace the great outdoors right at your doorstep and forge unforgettable memories exploring the pristine landscapes of the Scenic Rim. But that's not all; this property has an exciting income potential. You'll find a thriving macadamia orchard with 500 young trees recently planted, promising a future harvest that can generate additional revenue. It's a fantastic opportunity to embrace sustainable living and potentially earn from your land. In summary, this stunning farmhouse isn't just a home; it's an extraordinary retreat where modern comfort meets the tranquillity of rural life. With an array of amenities including a saltwater pool, dependable water sources, a spacious shed, and recreational trails, this property fulfils all your lifestyle aspirations. Add to that the promise of income from the macadamia orchard, and you have an opportunity that's as promising as it is idyllic. Don't let this slice of paradise slip through your fingers; make it your own and savour the best of country living.
