This coastal gem of an apartment offers scintillating views of the quiet river waters, while moments away the waves crash onto the shores of Forster Beach. This waterfront bliss comes with no compromise on convenience either, as the amenities and attractions of Forster town centre are all right on your doorstep! Classy finishes and a stylish aesthetic greet you as you enter the first floor, one-bedroom unit. The gourmet kitchen is the first port of call, boasting a range of appliances, including a dishwasher, to complement its timber cabinetry and expansive benchtops. Air conditioning and two ceiling fans keep the living area comfortable throughout the year. The kitchen flows into the open-plan dining and living area, adorned with thick carpets and bathed in an abundance of natural light. From the window looking out, the views of the river are a distinct feature of the home. Nowhere are they more prevalent than from the private balcony, an immaculate spot perfectly suited to entertaining your friends or enjoying some peace and quiet. The generous bedroom looks out over the balcony, and comes with a ceiling fan, built-in-robies and thick carpets. The unit is serviced by a sparkling contemporary bathroom, with a shower-over-bath, floor-to-ceiling tiles and an eye-catching timber vanity. Step outside the complex and you won't have to walk far to get to shops, amenities, restaurants and cafes. The beach shore is only moments away too, and the Red Spot Jetty is literally across the road. Here you can buy seafood, or even hire a boat! Any questions on this epic opportunity?
