\$230,000

Nestled along the picturesque coastline of Lettes Bay (Macquarie Harbour) in Strahan, this elevated parcel of vacant land presents a rare opportunity to create your dream coastal retreat. This region of Tasmania is celebrated as an area that has some of the cleanest air in the world. The block is the backdrop to part of the route taken by the world-renowned West Coast Wilderness Railway. The land boasts a thick cover of trees - predominantly various species of eucalypt, blackwood, sassafras and huge tree ferns. Formally the flat front of the block had been cleared of trees but these areas have once again been reclaimed by nature transforming the whole parcel of land into a serene haven waiting to be rediscovered. Whether you seek a weekend retreat or a permanent residence surrounded by the unparalleled beauty of Tasmania's west coast, this is an opportunity to create a unique lifestyle. - Zoning: Rural- Land Size: 9.1 Acres- Water & Septic Tank Required- Power Available for Connection- Natural Water Spring Located on Land Seize the opportunity to own a piece of coastal paradise and embark on a journey of discovery and renewal. Explore the untapped potential of this vacant land and unlock the possibilities that await. Please call Rodney to discuss further, or to organise an inspection.
