Whisper quiet with wide park views, this one-owner apartment has rare wow-factor! Secluded to the rear overlooking the lake and parklands of Sir William Fry Reserve, this two bedroom, two bathroom apartment has been meticulously maintained by the same owner since new ...and is now offered in as-new up-scale style. Tightly-held by a largely owner-occupied residency, this grand design is graciously proportioned with living extending to a deep balcony, and bedrooms capturing north sun through the group's signature French-doored faux-balconies. Offering a bathroom for each bedroom (one a private ensuite) and a place to get to work in a well-fitted home-office, this elite apartment features a true chef's kitchen with premium Australasian appliances, and a clever laundry concealed by an automated roll-down door. Plushly appointed with velvety carpets, sleek stone benchtops and quality window-furnishings, this 5 Star apartment features ducted climate-control, video-intercom entry, and hotel-quality communal spaces including lift-access to basement garaging with an enclosed storeroom. With a gate direct to William Fry Reserve, and Southland's shopping and station just a stroll across the parklands, this immaculate apartment has something for everyone - including Highett Rd's hospitality within a walk and Bayside beaches and golf courses within minutes!
