Tucked away in a quiet residential nook just off vibrant Chapel Street, this pristine ultra modern residence shines with ample natural light, opening out to a sun-kissed north-facing balcony. Surrounded by cafés, restaurants, bars and boutique stores, with trams and trains just steps away, it delivers a charmed lifestyle filled with ease and delight. Set amidst the contemporary design of the boutique White Street residences, the secluded home welcomes you into its gorgeous open first floor living space, where an immaculate minimalist kitchen, meals and living spaces open out to a balcony that's perfect for relaxing or playing host. The primary bedroom adjoins a gleaming fully tiled ensuite, and downstairs finds a bright main bathroom and second BIR bedroom with home office flexibility. Additional highlights include European laundry, split-system heating/cooling, and secure garage car space and storage cage. The brilliant locale is just steps from Windsor Station, trams, the Astor Theatre, James Street Reserve, Alma Park, Prahran Market, and Chapel Street's incredible array of retail, restaurants, cafés and supermarkets. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
