This vintage family home sits proudly in the middle of a huge 1500m block in the heart of Wilsonton Heights just a hop, skip and jump to all of lifes' conveniences including schools, shops and public transport. Lovingly cared for for it's entire life by one family, this treasure is awaiting a new family to make memories. From the joyous carpet and warm wood paneling of the huge lounge room and the retro bathrooms to the fully renovated kitchen and two air conditioners, this one is the perfect fusion of old meets new. With 3 good sized bedrooms, a sunroom, a rumpus and a combined kitchen and dining there is plenty of space on both the inside and outside. To make life easier, the rent includes the mowing of the 1500m block on a regular basis. You would just need to keep the gardens in shape. Come and check out this old world treasure today.
