\$366,500

4km from Tenterfield in a developing area is this gently sloping 5387m² block with building site and established shed with living quarters. The 20m x 8m colorbond shed has 2 auto roller doors and plenty of shed space and contains a well-insulated fully self-contained unit with kitchen, dining/lounge, bedroom, bathroom and laundry. Attached undercover entertainment area with a rural outlook. The shed is equipped with a gas hot water system, Bio-cycle septic system and 5,500 gallon poly water tank with electric pressure pump. Facilities include power, telephone, school bus to front gate and bitumen access to town. This is an ideal opportunity as a weekend getaway or great set-up to live in the shed while building your forever home and then could be perfect as a granny flat or teenagers retreat. Please note – The majority of these photos are from when the vendor purchased the property. Some TLC required to return it to what the property can be! Call us today to organise an inspection.
