Area: 850 m2

Type: House

Ian Cameron

\$530,000

This old beauty is ready to come back to life. Its old weatherboard and Iron construction still possess good bones and is the ideal project for the home renovator. Featuring two bedrooms and lounge room with original fire place. Eat in kitchen and combined bathroom and laundry. Out doors is a single colour bond garage all sitting on a level block only minutes drive to Mittagong CBD. If you not shy of some hard work you can make this shine once again.
