Five brand new luxury townhouses showcasing flawless design and eye-catching quality of craftsmanship rarely seen in the outer east, are highlighted by breathtaking views to Mount Dandenong and an excellent location within ten minutes' walk of bustling Mooroolbark. Exhibiting a wonderful sense of style and sophistication be it through the elegance of soaring light reflecting ceilings and engineered oak flooring, one or two stunning living areas, bifold doors to balconies, decks and yards or Fisher & Paykel appointed kitchens with dual tone cabinetry and stone surfaces. In fact, stone benchtops can be found in all wet areas including sumptuous ensuite and main bathroom, powder room and laundry. Each townhouse also offers internal access from the garage, some with additional space for a workshop and storage.
