Special Feature: Large private yardAs you walk in from the large, undercover deck you are greeted with a classic beach house. A family holiday home that has been well-loved and maintained. It is one of the original vintage homes in the area and the first time offered for sale in many years. The lounge is a great place to sit back, relax and enjoy the serenity of Ventnor. The kitchen is conveniently centrally located with access to the dining area or a smaller second living space. Enjoy a BBQ on the rear deck with family and friends overlooking a very private rear garden with local native shrubs. The garden is secure and there's plenty of room for that backyard game of cricket or relax and enjoy a good book. Two large bedrooms complement this beach house. A very short walk to the safe and secluded Ventnor Beach which is never crowded. At low tide a fantastic rock shelf to explore with family, the beach is great for young children! Stroll along the sand south towards the Nobbies or north towards Red Rocks and Cowes. The local shop is just down the road, a convenient place to buy those last minute supplies of bread, milk, newspaper and fuel. If you have been looking for something special this classic home is must on your list of homes to inspect. Call Alex Scott & Staff today on 5952 2633 to arrange your private inspection.
