\$645,000

Perfect family set up, loft is easily converted to a luxury parent's master, teenager's dream retreat or two separate bedrooms. This property has so many possibilities, you could live in the main house while collecting \$260 per week for the flat. You can work for this property or let it work for you, the options are endless. The main house has a separate lounge, modern kitchen, and renovated bathroom. One of the highlights for many will be the large, enclosed entertainment area, an ideal spot to sit and relax taking in the beautiful gardens and the reserve at the back. Through the breeze way to the air-conditioned Granny flat complete with kitchenette, bathroom, laundry and storage. Running the air conditioners is not going to be an issue with plenty of solar panels to cover that. Shut the gates and settle back into your tranquil peaceful patch of paradise. Property Code: 1688
