\$112,500

If you have horses, or any other livestock and you are looking for perfect place to lay down your saddle then this vacant parcel of land is for you. With an abundance of potential, this property offers you the space you are looking for as well a the blank canvas to transform this parcel of land into your dream rural escape. 4187m² of rural/ residential land that is just a few minutes from town is the perfect location for those with horses and nowhere to keep them. You don't even have to live here, you can just adjust your horses here without having to worry about ever having to move them. Town water and bitumen road access make this a very easy proposition. Alternatively, this is a great site to establish your new home with an affordable entry price to make the completed project a very appealing option for new home buyers or builders. Rural residential zoning provides loads of opportunities to the new owner. Need shed space, perfect!! There is heaps of room on this vacant parcel of land. What could you do with this property, be quick as it will not last at this great price.
