Exceptional Bay Views

Please note entrance is via Arthurs Ave behind Bayview service lane.

Nestled behind the service lane of Bayview road, what an opportunity in a highly sought-after family friendly pocket of the Mornington Peninsula, this original character-filled home ideal for family living.

Seemingly endless views across the white sandy beaches McCrae has to offer which can be appreciated from the spacious balcony, the upstairs lounge/dining/kitchen in the heart of the home, second bed and the master bedroom.

The home is combined with two separate living spaces one upstairs and down stairs, four bedrooms with the fourth bedroom down stairs extremely large that it can either be an additional lounge/rumpus room or kept as a bedroom, two main bathrooms and a bar. Split system and gas heaters for heating and cooling.

An amazing permanent home or ideal holiday destination, minutes to the beach, shopping centre, freeway access, and Peninsula attractions like McCrae Plaza, McCrae Lighthouse, and the pristine waters of McCrae Beach, this expansive family-friendly abode offers a lifestyle elevated by convenience and modern amenities, with a short drive revealing the wonders of Peninsula living.
