Beautifully presented, this 3 bedroom modernized home is sure to impress! A warm and inviting home that has recently benefited from numerous upgrades including new floor coverings, reverse cycle air-conditioner, window coverings & painting just to name a few. The gourmet contemporary kitchen offers plenty of storage options, benchtop space and overlooks the rear yard. A light, bright and modern bathroom features a bath, shower, vanity and WC. The fully fenced level rear yard is the ideal place for children and or pets to play and comes with two garden sheds for storage/workshop, garden beds, fruit trees (apricot and pear) and a firepit. The ideal property for those seeking a home where all the hard work has been done - move in and enjoy!

- Modernized kitchen & bathroom.
- Cozy wood heater and Daikin heat pump.
- Undercover parking double carport.
- Warm inviting home with all day sun.
- Secure rear yard for pets and children to enjoy.
