Well-presented and carefully maintained, this brick home provides enduring style and functionality for a young family or for buyers requiring easy access and no renovations. The home is comprised of 4 bedrooms, 2 with built-in robes, the master complete with walk-in robe and ensuite. A lounge area leads to the central modern and spacious kitchen complete with good bench, pantry and cupboard space, dishwasher and electric cooking and open to the dining and family areas. Sliding doors lead to an expansive and private undercover entertaining area, perfect for relaxing and enjoying quiet time. The family bathroom is fastidiously tidy and has a separate toilet, the laundry has ample linen storage and there is internal access to the double remote garage which also has sliding glass door access to the undercover area. At the rear of the well-fenced yard is a large garden shed, raised vegetable gardens, an attractive rock garden and plenty of room for play and gardening. Rainwater tanks will keep your gardens thriving and there is handy access to the back yard. This is a good quality, well-designed home with nothing to do except add your own touches.
