Big on character and convenience, this renovated 2 bedroom home is positioned in a fantastic central location. This classic home feels immediately warm and inviting on entering. The living room has polished hardwood timber floors and the kitchen boasts a magnificent big iron bark bench top with breakfast bar. The modern kitchen is equipped with stainless appliances including gas cooktop and dishwasher. Both bedrooms are carpeted and the spacious master bedroom has a full length built-in robe. RC Airconditioning takes care of the year round indoor climate. Perhaps the most defining feature of this modest home is the huge undercover 9m x 4m hardwood deck out back. This wonderfully relaxing outdoor living space is ideal for entertaining family and friends or could be the perfect sheltered area for working from home. Set on a gently sloping block with side gate vehicle access to the sunny backyard. It has great fencing all around, a 3x2m garden shed, established trees and raised vegie gardens. A detached laundry building with 2nd toilet adds extra convenience. If walking is your thing then you'll find the beach a leisurely 580m away, plus it is just 600m to main street and 450m to Coles Supermarket. Schools are also close by - 700m to Eden Marine High and 500m to Eden Primary. Pets considered. 12 month lease offered. Furnished or unfurnished options available. Available to inspect NOW!
