With its innovative architecture, high-end fittings and meticulous attention to detail, this 5-bedroom, 3-bathroom home delivers a lifestyle of luxury in an exclusive location with the best of Campsie at your fingertips. On the edge of Cooks River and with easy access to acres of open parkland nearby, this sophisticated, low-maintenance family home offers a lifestyle of modern convenience and lifestyle excellence, with tranquillity at your doorstep and impeccable refinement inside. Incredibly rare, with one lavish master bedroom with ensuite and WIRs mirrored at opposite ends of the home and three supplementary bedrooms with robes, the flexibility for family living here is simply unmatched. Superbly designed interiors showcase an impressively proportioned open-plan living, dining and entertaining domain, opening via sliding glass doors to an exceptionally carefree alfresco zone designed to deliver the ultimate carefree entertainer's experience. This is further complemented by the accompanying gourmet kitchen with sleek marble-look stone benchtops, appliances and cabinetry, orientated to cater easily to intimate family gatherings or full-scale celebrations. Within walking distance to Campsie shopping centre, the train station, local schools, and with easy access to the CBD, this designer home also showcases, two family bathrooms, a European laundry, high shadow-line ceilings, reverse-cycle heating and cooling, and a single remote garage.
