This true representation of classic 1980s architecture is something you must inspect to appreciate. But more than that, this home truly holds a commanding position with uninterrupted views to the north from almost all aspects of the home. + Privately set back from the street with easy, near-level access+ Able to accommodate both large or multi-generational families with ease+ Come together in the spacious open-plan kitchen & dining. The kitchen was new 18 months ago and includes a dishwasher and great storage with a large walk-in pantry+ The formal lounge room is spacious and has high raked ceilings with a fan+ Access the outdoor entertaining space and level backyard from the master bedroom, lounge room and dining room+ Relax in your main bedroom at one end of the home featuring an ensuite, a walk-in wardrobe, and more of those incredible views+ At the other end of the home, there is an upstairs living room with another bedroom, bathroom, built-ins and views. This could easily be another main bedroom suite with a sitting room, it would make for a great kid's zone or could be turned into a 5th bedroom as there is plenty of space+ The double lock-up garage has remote entry with internal accessIt is rare to find a near-level yard and wide, uninterrupted views to the north. You could live comfortably on the lower level all year round and use the upstairs when extended family come to visit. It is positioned in a quiet neighbourhood with great access to public transport, and it is only a short drive to the shopping centre, the Sports & Aquatic Centre, Lismore Heights Primary and Kadina High School
