Brick and timber are a strong theme throughout this solidly built family home of yesteryear. Situated on a 604sqm approx. block within walking distance to Broadmeadows Central shopping complex, train station, recreation parklands, with local SmartBus services, abundant schools and medical centres. Retaining original features throughout, this three-bedroom house has all the necessities, including a tiled bathroom, solid timber floors, and living area separated by an exposed brick-feature fireplace with gas space heating. A large kitchen with timber cabinetry and wall panels, a separate laundry, split system air conditioning, a driveway with ample parking, and a substantial backyard with a storage shed and garage. • Solid brick house with original timber features • Three bedrooms and divided living spaces • Tiled bathroom and separate laundry • Large backyard with storage shed and garage • Split system air conditioning and gas heating • Roller shutters on main windows
