This neat and tidy home has 3 good size bedrooms and two have built in robes. The separate lounge is huge and adjoins the equally spacious kitchen dining family area. The kitchen is light and bright and has a new upright stove fitted. There is plenty of storage space and the passageways have quality tiling installed. New floorcoverings have been installed throughout the home. Across the rear of the home is a massive patio with a wood heater for those winter nights. To the front of the home there is a large concrete deck leading to the front entrance. A wide concrete drive travels past the home on the East side of the property through to the double garage at the rear of the 941sqm lot. The rear yard can be secured by double gates. At \$249,000 this brick and tile home with solar panels fitted represents excellent value so call Marlene Chaushs today on 0418471139 to organise an inspection.
