BOARDROOM AUCTION 6pm Friday 3rd November at 427 - 431 High Street, Northcote An exquisite freestanding presence in a eucalypt-lined Westgarth street, this architecturally designed and extended two bedroom Victorian brings contemporary class to timeless appeal. Soaring ceilings, deep cornices, rosettes and ornamental fireplaces add character to a home embodying style with sleek stone surfaces and a light, fresh palette. Waterfall counters, plentiful storage and Smeg appliances – including a 900mm stove - introduce a bright, elegant and spacious kitchen, dining and family domain. Sliding apart, glass doors foster natural flow to a covered entertainer's deck and pretty rear garden, hosting a modern home office. Fully tiled, the luxe bathroom impresses with a frameless glass rainfall shower and deep, separate bath, while big bedrooms come with robes. Finishing touches include a powder room, full laundry, heating/cooling, retractable blind to the deck and rear ROW. Zoned to Northcote High and Westgarth Primary, a stroll to Oldis Gardens, Yarra Bend Park, trains, trams, buses and the shops, cafes and cinemas of Westgarth Village, it's a beautiful base.
