The opportunity is here to secure a good sized, level parcel of land so close to town and situated within walking distance to the local high school and Centrepoint Shopping Centre. From this location, you are only a short drive away from Bowen's beautiful sandy beaches and all the conveniences our beautiful little town has on offer. Surrounded by other modern homes, the near-level contour and 757m² area means your build cost will be minimal and the flexibility to design for back yard access is readily available. The block features a 18.5m frontage and is fully serviced. A good sized pool or dream shed are possibilities to consider when designing your new home and could be easily accommodated on this very affordable building block. MARCELLE HEIGHTS is a very high quality residential estate in a prime central location but with a relaxing semi rural feel. This one is seriously good value and ready to build on NOW.
