This 2-bedroom property with old style charm sits on an 885m² block close to school, hospital and shops. Previously renovated in 2007, this property needs some TLC, but has lots of potential. The front verandah is screened at present, though if removed, would provide a lovely sunny spot in the winter for that morning cuppa! It has an older style air conditioner in both bedrooms and a Woodfire encompassed in an older style brick fireplace with mantle in the kitchen. The kitchen also has a gas oven. Wooden floors are featured in the loungeroom and one bedroom, and there is carpet in the 2nd bedroom. The bathroom is a bit more modern in style and has a shower and vanity. The toilet is separate. The laundry is quite big and is limited only by your imagination. It has a great 2 car garage out the back, which has an enclosed screened off section on the side, with a cement floor. A great getaway space or man shed! The property has 2 rainwater tanks which is advantageous. At this price, it won't last long! Call us for an inspection today.
