\$500,000 - \$550,000

Turn your dreams of homeownership into a reality with this charming 3-bedroom residence on a low-maintenance 400 sq. metre (approx.) allotment, providing an ideal foundation for bringing your dream renovations to life in a delightful, family-oriented neighbourhood. Easy everyday living starts with an open-concept design, showcasing living, dining and kitchen spaces spreading from front to rear whilst taking in beautiful natural light from its large windows. A gas cooker and a circular breakfast counter provide practicality for today's needs, encouraging personalised creativity to flourish for the gourmet kitchen you've always envisioned. A paved patio with a shade sail overhead is ideal for sun-dappled afternoons of relaxation, complemented by the three robed bedrooms zoned to the quiet side of the home, including the main with its own ensuite. Finished with split-system air conditioning, a single carport, and a storage shed, it sits a short walk from Wallaroo Primary and Western Port Secondary, with Hastings High Street shopping, Pelican Park Recreation Centre, Hastings Station, and the foreshore reserve just moments further.
