A brilliant opportunity to enter one of the Sunshine Coast's most progressive neighborhoods with a wonderful dual street 600m block and tidy 4 bedroom residence with unlimited future potential. The things we love: • Great low-set family design with 4 bedrooms • Complete with split system air conditioning and 2 semi separated living zones • Quiet, fully fenced 600m site fronting both Jasmin Circle & Beach Drive • Easy walk to the beach, local shops, schools and Bok Beach precinct • 2 bathrooms inclusive of master and ensuite to master bedroom • Large in-ground pool with large undercover outdoor living • 2 1/2 sized garage and carport combination • Fully fenced with low maintenance grounds and garden shed for additional storage • Solar energy and heated pool • Great for those looking to park extra vehicles • Perfect foundation for future renovation This is an exciting beachside opportunity with excellent locality. The property is offered to auction and all inspections and offers are encouraged.
