This stunning modern shack is something a little special! Set in the gorgeous bushland on a large block with view of The Great Lake sits this beautiful holiday home. Designed to capture every ray of sunshine with its northerly facing aspect, raked ceilings and large windows throughout. Two spacious bedrooms with built-in robes and a lovely spacious bathroom compliment the large open plan living, kitchen and dining that flow out onto the beautiful rear deck. A separate shed with laundry and second toilet is the perfect addition for the fisherman, handyman or just to store vehicles out of the elements. Miena is the heart of the Central Highlands and this property could be the perfect location to explore, fish or hunt the local areas.
