Privacy and elevation combine to create a unique green space with a warm country feel. The elevation allows for a beautiful outlook in all directions and a surprisingly low maintenance aspect to this property. Dual frontage allows access from the top of the block which has an extra car space plus one and a half bay storage shed and workshop or studio space. The bottom entrance allows for plenty of off-street parking plus a double carport and front alfresco area with a lovely tree studded outlook. The home itself is light and airy with a modern open plan design extending from the main kitchen dining and living out to a secondary living or Rumpus Room. Modern appliances combined with air conditioning and some tasteful renovations complete this comfortable and affordable package. The central Sunny Coast location will make this the ideal choice for the first home buyer or investor alike offering great returns with nothing to do except move in and enjoy or reap the rewards. The Team at Grace Estate Agency would love to welcome you home to this amazing lifestyle opportunity. Come and inspect today before this little piece of paradise is gone forever!
