This four-bedroom home sits on a gently rising 894 sqm block with excellent views across the golf course including the 9th fairway and beyond to the North Johnstone Valley and the mountains beyond, including Mt Bartle Frere, Queensland's highest mountain. The four-bedroom home features a large deck off the kitchen which is big enough for entertaining friends or a quiet cup of tea in the morning. The home has been freshly painted inside and has some air conditioning and a new vanity in the bathroom. There is a deep enclosed carport and the front yard is fully fenced. Currently tenanted at \$1800 per calendar month this property will wash its face until you are ready to move in. If you are a keen golfer this site is pure gold. If you just like to sit on the front deck with long and wide views you will have it as well. Priced to sell. Contact Michael Skuse
