It's rare to find such a large home within walking distance of the main street. Herberton has all the amenities you could need including post office, supermarket, shops and cafes. Atherton is a 15 minute drive and Cairns is an hour and a half. The home is set back from the road and has privacy from established trees and gardens. Dual street frontage is on offer so plenty of off-road parking if required. The front door welcomes you into a large entry way, brand new flooring underfoot and repainting inside showcases the double brick with a modern twist. Downstairs offers an ideal space for entertaining or options for a large family with spacious entertaining area, outdoor patio with built in barbeque, your own bar and a media room which could be used as an additional bedroom for guests. Also located on the ground level is a bathroom, toilet and bedroom. The staircase takes you up to the main living area, complete with fireplace for the cooler nights and custom-built entertainment unit - the perfect place to relax. Open the sliding doors in the summer to access the covered veranda and enjoy views of the hills. Dining room is adjacent to the kitchen which has breakfast bar as well as plenty of bench space and gas cooking for the keen chef. Three bedrooms are upstairs - two offer built in wardrobes and the master is extra-large and has a walk in robe. Second bathroom and laundry are also upstairs with external set of stairs to the rear of the home. The back garden has a small lawn and low maintenance gardens.
