"A spectacular home with some of the most incredible views." Rarely would you find a home so close to the heart of Timbertop but still retain such majestic privacy. The double storey home is positioned confidently on a 512m² with a sizeable frontage and spectacular views of the D'Angelo Vinyard and beyond. Walking distance to Orchard Park Primary School, cafe, parkland and public transport. Just as importantly, the property is located at the end of Renishaw Drive surrounded by some of the best neighbours you'd likely find. At any given time of the week you might find the kids playing together in the street, weekend barbecues or some of the best street Christmas parties you're ever going to see. It's these type of neighbours that define great neighbourhoods. The house itself is remarkably versatile.- Three large bedrooms upstairs including the master with walk-in robe and ensuite with floor to ceiling tiles;- One bedroom downstairs that's serviced by a bathroom with toilet and shower;- Formal living area at the front of the house currently being used as a study;- Open plan living/dining room that's beaming with natural light;- Massive living room upstairs with glorious views of the vinyard;- Expansive kitchen with butler's pantry;- Ducted heating and cooling;- Double glazed windows to all windows and doors for added privacy.Outside is just as nice:- Alfresco with stack-stone pavers and BBQ;- Heated pool;- Abundance of additional room in the backyard;- Landscaped yards.
