This is one of a very few remaining vacant blocks in the Somerset St area, a nicely established area of mostly owner occupiers, well elevated to catch the prevailing breezes from both the south-east and north and with excellent drainage. The very slightly sloping block enjoys superb hill views in all directions so you choose your preferred orientation. With a 20m frontage, it's easy to build on, with town water, sewer and power all easily available. Approx 15 minutes walk to the beach and 10 minutes drive to the ferry terminal, it's easy to get to everything you need whilst enjoying the peace away from the tourist areas! There's plenty to do in Horseshoe Bay with of course the beautiful sandy north-facing beach, cafes, restaurants, shops, regular markets, skate park and multi-sport court.
