Located between Lismore and Evans Head, Coraki is a practical and affordable solution for that work/lifestyle balance. This two-story very private family home set on a tree lined block gives a peaceful feel, has so much to offer and only minutes walk to the golf club. Upstairs is a large lounge room and dining area, compact kitchen, bathroom, two bedrooms, a front veranda that overlooks the magnificent tree filled front garden and a very private covered back timber deck. Downstairs is a third bedroom, kitchenette, second bathroom, family room and a converted single garage, utility room or easily restored to a single garage. Access to downstairs is via an internal staircase. The back yard is quite a surprise with rear lane access, large semi enclosed carport and a studio with an old caravan attached. Only a short drive brings you to the village centre where you'll find a family friendly pub, butcher, Spar Supermarket, Bakery, Coffee Shop and post office. In the Summer, stroll down to the river for a swim on a sandy beach or take the 23 min drive to Evans Head and enjoy the beaches. Its only a 22 min drive to Lismore for a trip to Bunnings or the many shopping and dining option that Lismore has to offer. Contact the team 6621 9100 24hrs|7days for your Private Viewing.
