A superb school hub position facing Brentwood Secondary's sporting green invites you to live and learn from this expansive family residence. An imposing façade with 8 lucky windows and a decorative arch above the doorway gives the home an air of distinction from its prime position at the top end of Whites Lane. That style meets substance with 4 living areas including a lounge, rumpus, sunroom and retreat, assuring the family of abundant living space across two light-filled levels. Elegant granite benchtops and an open plan design create ease of movement across the well-appointed kitchen, with a sunny dining space framed by beautiful windows. The street facing bedrooms upstairs enjoy lovely views of the surrounding sports reserve putting children just steps away from Greenland Early Learning Centre, Glen Waverley South Primary, Brentwood Secondary College and the White Lanes Tennis Club. Outside, the freedom of an 869sqms (approx.) block adds to the generous setting with a big, grassed area for playing sport, and a huge covered back deck for outdoor relaxation and large-scale entertaining. An extended driveway and two garages enable plenty of off-street parking from this family friendly neighbourhood close to The Glen, Central Reserve, Monash Aquatic Centre, the coming upgrade of Brandon Park Shopping Centre and private education at Wesley College and Caulfield Grammar.
