Live in the heart of the city and enjoy fantastic Frankston views with this chic 2-bedroom apartment. Perfect for 1st home buyers, it could also suit small families as it's located in the Frankston High School zone. Alternatively, it's an ideal investment property. Modern and spacious, the home offers an open-plan living/dining room with a well-appointed kitchen providing ample storage, stainless steel appliances including dishwasher, and stone benchtops. This living space opens out to a private balcony with expansive views. Both generous bedrooms have built-in-robies with the main bedroom serviced by it's own ensuite. The apartment also has a second fully-tiled bathroom with a large shower, toilet, and vanity with stone benchtop. The property also includes split system reverse cycle air-conditioning, video intercom system for secure entry, plus an allocated car parking space and storage cage. Just a stone's throw from Bayside Shopping Centre, train station and buses, and near all the restaurants, bars, leisure facilities and amenities of central Frankston, it's also just a short stroll to the beautiful beach.
