Breathtaking views across the ocean's horizon, stretching up Collaroy Beach to Long Reef Headland set the scene for the ultimate beachside lifestyle in this luxurious penthouse-style security apartment. Holding an oceanfront setting within the award-winning 'Ocean' resort style complex, the beautifully curated interiors deliver a sophisticated coastal aesthetic and high-end inclusions over a house-like three-bedroom 196sqm layout. An entertainers kitchen anchors the living space, while walls of glass blur the lines between indoors and out offering seamless connection to a sheltered entertaining terrace that forges a close connection with nature. This coastal masterpiece enjoys lift access to double garaging, swimming pool, gym and outdoor social spaces, plus seconds from the sand and surf, Narrabeen Lake and surrounded by cafes, dining, shops and express B-line CBD buses.- A palette of neutral tones, unbeatable setting with forever views- Sweeping living/dining area deliver indoor and outdoor flow- Gourmet stone crafted island kitchen with Miele gas appliances- Three sanctuary-like bedrooms with built-ins including the master - Designer bathrooms with underfloor heating, ensuite with spa- Internal laundry, vast storage options, ducted air conditioning - Lift to double garage, resort style heated pool, gym & bbq areas- Freshly painted, skylights, minimal common walls, high ceilings, study nook- Full-bodied sea breezes to immerse the home with a natural aura that's rejuvenating- Benchmark for luxury living on the doorstep of world-famous Narrabeen Beach- Fall asleep to the sounds of the ocean, wake up to glorious sunrises- Keep an eye on the surf from the comfort of home, watch the whales migrate - Live an active outdoor lifestyle with lock-up-and-leave convenience
