Living at Harlowe, you will be perfectly connected to both convenience and nature. The new community is shaped by the peace and quiet of tranquil local parks and established and future native bushland, reserves and wetlands. With boundless outdoor adventures to keep the family active and healthy. Harlowe will be rich in amenity for the whole family. As well as a sports field, local parks and walking paths, the brand-new Childcare Centre will form part of the neighbourhood, creating convenience before and after work. We're proudly part of the ABN Group, Australia's leading construction, property and finance company, and owned by partners Aidan Hooper and Dale Alcock. The ABN Group was established in 1978. Since then, with a family of 22 companies across Victoria and Western Australia, we're still true to our philosophy of building every home as if it's our own. We've built more than 88,000 homes and we've steadfastly maintained our attention to quality. So, although you may be building your first home, we have built many. And with every home we build, we only get better. The Lismore has been designed in order to fully maximize the amount of natural light shining into your home, whilst taking advantage of the large kitchen and open plan living and dining area. The Lismore will be everything you need to elevate your family living to great heights. Your new home will come standard with quality inclusions, industry leading guarantees/warranties and brand names that you can trust:
