Live In A Landmark - And Love it Appreciate all the style, security and setting of the GEM building, a modern masterpiece from architects Elenberg Fraser, in this scintillating apartment where each principal room enjoys an aspect over the beautiful full-width balcony. The central living/dining area's wide oak floorboards, ducted heating/cooling and sliding glass doors to the terrace are complemented by an open-plan kitchen while two double bedrooms are individually zoned each in a zone of its own. Two bathrooms, including the main bedroom's ensuite enhance exceptional proportions that are completed by a flexible study or retreat. The car can remain in its allocated parking space as you walk to Nelson Place, Point Gellibrand Coastal Heritage Park, Williamstown station and Ferguson Street from this landmark address.
