With a floor plan exclusive to only four apartments within the Esplanade complex, Apartment 314 offers a living space and location like no other. Positioned to take in the Northern aspect and Winter warmth, this apartment also offers East and South facing aspects soaking in the best of the North and Cunningham Arm views. Boasting an oversized living area and large and partially covered outdoor living zone makes this one of a kind residential apartment perfect for the permanent resident looking for space, light and comfort. The options of onsite management, permanent living, or a combination of both make this one of the best and most versatile buys right now. Secure your viewing time by contacting selling agents today.
