All bedrooms in the home are well sized and air conditioned with built in robes. The downstairs family room is spacious and offers separation and the perfect (air-conditioned) place to relax and enjoy a movie. Also located downstairs is the rumpus/games room, a sprawling space - which is perfect to enjoy with visiting family and friends. As well as lock up car accommodation, there is a huge workshop and storage room. An absolute bonus is a separate dwelling at the rear of the property which opens up bonus options to enhance for independent dual living or the perfect home business.
