Occupying one of the largest blocks in the area complete with 20m frontage, this triple-fronted Art Deco home provides an immediately comfortable family lifestyle along with a myriad of options for those looking to renovate, extend, rebuild or redevelop (STCA). Beyond its attractive clinker-brick facade, the home's current accommodation includes an entrance hallway accessing generous bedrooms all serviced by a neat central bathroom. Add to this a front lounge and adjoining dining room through to the retro kitchen/meals area and large rear living room, along with solid hardwood floors and high Art Deco ceilings. Step outside to discover the main attraction - a simply enormous north-facing backyard with garage with side driveway all highlighting the property's dream dimensions and incredible future potential. IGA supermarket across the road along with local businesses and popular cafes around the corner, it's also close to a range of schools, kinder/childcare facilities, Aberfeldie sports and leisure facilities, Poynton's Nursery and the open spaces of Clifton Park, as well as easy access to Maribyrnong riverside trails and Essendon Station.
