Get ready to get your hands on this property and jump straight into creating your dream home. If you are a first home buyer, it may well suit as that starter property. There are three large bedrooms, galley kitchen, separate dining and a separate lounge room. The laundry is contained in the back entrance and the bathroom is central to the bedrooms. Outside there is a double garage, a couple of garden sheds and plenty of space for kids to play safely. On an 1072sqm allotment, large enough for a unit, subject to council approval of course.
