Rainbows End is a rural property that may just be the pot of gold at the end of the Rainbow. Situated on Plummers Lane, only a short drive to the beaches and town centre of South West Rocks, this well presented and perfectly positioned property could be the perfect rural retreat. The property has nothing out of place the fencing is good, a flood mound for the wet times, the laneway system to the cattle yards is great, it has a high carrying capacity and proven productivity, there are 2 machinery sheds that are functional with one having a temporary accommodation donga. Being approximately 46.29 Ha in size it enjoys a dwelling entitlement as well as easy access to town if you want to reside near the beach and still enjoy your rural pursuits.
