Inspect by Appointment

Enjoying a coveted neighbourhood setting on one of the most prominent streets of Kealba, this impeccable quality, custom built residence delivers an outstanding home with an impressive dual-level layout that's perfectly suited to families of all ages. Beautifully appointed neutral palette interiors with contemporary comfort, this stunning home features high ceilings, floating staircase, solar panels, ducted heating & cooling and a large balcony that extends the full length of the property. North-East facing, you will enjoy a morning coffee here as you watch the spectacular sunrise. A well-conceived design features multiple formal and informal living and dining areas offering plenty of space to relax, play and entertain. The stunning kitchen with marble benchtops is practically brand new and hardly used as the owners prefer to cook and eat in the second kitchen and dining. The family area seamlessly opens out into an undercover alfresco for your intimate dinners. Or you can invite the whole neighbourhood and have bbq under the pergola and amidst the easy care landscaped gardens. The upper level comprises five well-sized bedrooms, 3 with ensuites and 2 share a 2way bathroom. The palatial master bedroom is something you have never seen and this room alone will blow you away with its vast spaciousness, and your very own personal dressing room. The kids can happily play their video games and watch movies in the upstairs retreat. The residence is complete with double remote garage with drive through and internal access, huge laundry room and a fifth bathroom/powder room. A short walk to St Paul's Catholic Primary, Brimbank Park and within a few minutes drive to Keilor Downs Shopping Centre, Brimbank Aquatic & Wellness Centre, Western Ring Road & Calder Freeway. Once you step inside, you're never want to leave. What's Your Next Move? - 55 SQs custom built - 5 bed, 5 bath, 2 car - Near new marble kitchen - Generous proportions with formal and informal living spaces - 2nd kitchen adjoining dining - Alfresco & pergola - Solar Panels - Ducted Heating & Cooling - Presidential Suite style master bedroom with a large balcony running along the full length of the house.
