Nestled within a tranquil and convenient complex, this charming brick and tile townhouse presents an ideal living space, replete with all essential amenities and more. Boasting two bedrooms, this townhouse offers a spacious and functional layout conducive to easy and practical living. The kitchen seamlessly integrates with the living and dining area, providing seamless flow. Additionally, the dwelling features direct access to a generously sized, fully fenced backyard, offering ample space for relaxation and recreation. Beyond the confines of the property lies a communal park accessible through the rear gate, complete with inviting benches perfect for family outings or intimate picnics. The upper level offers two bedrooms each equipped with built-in robes for added convenience. Completing this level is a functional main bathroom. Strategically positioned mere moments away from the vibrant shopping and dining options of Logan Central Plaza, this residence ensures a lifestyle of convenience. With easy access to public transportation, Logan Hospital, Logan University, expansive parklands, and reputable schools, every necessity is within reach. Furthermore, the proximity to the Pacific Motorway facilitates effortless commutes to both Brisbane CBD and the Gold Coast for work or leisure pursuits. Key property features include: Spacious open-plan living area with modern flooring Two well-appointed bedrooms featuring built-in robes Single carport for convenient parking Low-maintenance courtyard for ease of upkeep
