Nestled in the quiet and leafy streets of Invermay, this picture-perfect weatherboard cottage is a quintessential Launceston character home that has been showered with care by the current owner. With its charming facade and verandah overlooking the leafy park and street, this home is both the ideal investment or home for you and your family. Inside, the property boasts 3 or 4 bedrooms, offering plenty of flexibility depending on the occupants' needs, as well as 2 dedicated living areas, providing ample room for relaxation and entertaining. The charming sitting room boasts elegant wainscoting paneling, a decorative fireplace, and a bay window that fills the space with natural light. The private courtyard back garden is designed for enjoying the mature gardens and flows out from the interior of the kitchen, living, and dining areas of the home. The side garden offers established plantings, including a beautiful magnolia tree, creating a tranquil and serene atmosphere. The property also comes with two off-street parking spaces, one of which is enclosed by a carport that faces the street, providing convenient parking solutions in an area where this is a scarce resource. Beautiful details like the arched hallway, coloured glass windows, and period-appropriate light fixtures and fittings complete the character and charm of this lovely home. Don't miss out on the opportunity to make this beautiful home your very own!
