I am on old four bedroom one bath home with a swimming pool on a large 809sqm2 lot. I was built in the 70's when the area was known as Burrendah. People loved me for my trendy face brick, my state of the art family room and didn't they just love being entertained under my mission brown pergola. I was a highly sought after abode and I shone in the sun. Now 50 years later I am old and worn and my best years are behind me. Maybe my lights are beginning to sputter but I can be a great opportunity to develop and rebuild so I can once again shine in the sun. Touch me with your bulldozers and divide me into two. Create two beautiful homes for today's Willetton families as the new era dawns. Develop me and you will understand what happiness is. > Rossmoyne High School Zone> Transport at your Door> R30 Zoning> 809 m2 Lot> 20 metre Frontage > Close to shops> Medical CentreSOLD "as is where is"Further details Contact Ross Calnan.DISCLAIMER: Whilst every care has been taken with the preparation of the particulars contained in the information supplied, believed to be correct, neither the Agent nor the client nor servants of both, guarantee their accuracy.
