Situated in a quiet and leafy tree-lined street, this easy level block is tucked away in a peaceful pocket of Gaythorne. A wide block with a 15m frontage, the 403m² home site enjoys wonderful eastern elevation catching the tops of the city from the envisaged second level. A soft residential area surrounded by established character homes, it's an opportunity to build a brand new house in a sought after near city suburb. Setting it apart from other inner city blocks, the rarely found wide footprint will allow you to design and create your dream home with a sense of flair and individuality. Within proximity to parks, local schools and cafes, it is a convenient and well connected area of Brisbane with easy access to public transport. - Easy level 403m² block, 15m frontage - Full services to the block - Elevated eastern aspect - Leafy green tree-lined street - 1km to Gaythorne Train Station - 1.6km to Mitchelton Train Station & Blackwood Street precinct - 6km to Brisbane CBD A rare opportunity to secure a ready to be built on premium land site, with exceptional views and a near level building platform.
