This colonial Georgian sandstone cottage built in the mid 1850's offers its new residents a flexible floor plan. 3 or 4 bedrooms? 2 or 3 living rooms? Perhaps a study? The choice is yours. The home melds perfectly the modern conveniences we love with unique Tasmanian history. Beautiful typically Georgian features throughout include wide cedar floorboards, exposed sandstone & brick walls, timber mantels and flagstone hearths. A traditional inglenook fireplace in the lounge houses a large Saxon wood heater and combined with the panel heaters dotted throughout the home will keep you warm over the coming winter months. The modern kitchen has plenty of storage, a large butlers sink, stainless appliances and a pretty view to the garden. The original timber bathroom retains all the charm, with a claw-foot bathtub, open fireplace, copper tapware, and a toilet cistern. You also have the added bonus with a 2nd toilet in the separate laundry. There is off-street parking for 2 and if needed a shed that could double as a garage for 1 car. There are a further 2 garden style sheds providing you with great storage solutions. - \$490 per week - 4 bedrooms all with panel heaters - Family bathroom with claw foot bath - 2 living areas - Modern kitchen - Open plan kitchen + dining - Separate laundry with 2nd toilet - Post & rail fencing surround the enchanting garden - Several outbuildings for storage.
